Good afternoon,

I wanted to publicly acknowledge the predicament our students and families have been placed in with regard to the scheduling conflict between the Saturday implementation of the SAT and our 8 man sectional football game at the Carrier Dome on November 3.

In response to this conflict I petitioned the Executive Director of Section 3 Athletics John Rathbun to change our game time to ensure that our students are not asked to choose between academics and athletics. My request was received but unfortunately not honored.

Information regarding cancellation or rescheduling of the SAT can be found here

<https://collegereadiness.collegeboard.org/sat/register/fees/refunds> Any inquiries regarding refunds or rescheduling must be made directly with college board. www.collegeboard.org

I am sure that this will be a difficult decision to make and we apologize if this scheduling conflict has financial repercussions for your family.

For those who choose to attend the game, the next SAT implementation will be on December 1st at the following locations.

G. Ray Bodley in Fulton
Henniger HS- Syracuse
Liverpool
Nottingham
Rome Free Academy
Watertown
Canandaigua Academy
