November 27, 2018

Good morning,

I am writing to share information regarding a bus accident that occurred this morning near the intersection of Albion Cross Road and Hasto Drive in the Town of Pulaski.

Thankfully all of the students involved as well as the driver and monitor are reported to be unharmed. This was an elementary school bus run. Bus # 187 went off the road into the drainage ditch on the shoulder of Hasto Drive rolling onto its side. All of the students were quickly evacuated from the bus and seen by first responders before being brought back to APW elementary school to be checked over by the school nurse. Other than a few reported bumps and bruises everyone is warm and safe. Special thanks to our first responders, including the local fire departments, ambulance, Department of Public works and Sherriff's department who were on the scene in minutes. I will share additional information as it comes in but the most important thing is that our children and employees are unharmed.

Warm regards,

Eric Knuth
