

[APW CSD Board of Education Public Comments](#)

The Board of Education invites your comments or suggestions about school issues. Please take a minute to note them below. The APW School District appreciates your understanding as we implement mitigation efforts to increase social distancing due to COVID-19, people who want to comment about an agenda item can submit a comment below during the meeting:

[APW BOE Public Comments Form](#)

Please remember that comments should be addressed to the board, not to other members of the community. Speakers are instructed to refrain from personal attacks and insults directed at any individual or group. We request that attendees show respect for all speakers. Failure to follow this directive will result in the loss of privilege to be heard.

Please note that the public comment section is simply an opportunity for you to express comments and concerns with the board, after every effort has been made to settle or answer questions through administration. The Board will not engage in dialogue with speakers at this time. The Board may choose to respond to comments at their discretion at a later time.

The Board has established committees that typically meet once a month as a venue for community members and staff to participate and share their comments and concerns. At that time there is an opportunity to engage in dialogue with the committee. Please refer to the upcoming meetings section of the agenda or visit the district website for dates and times.

Please take note: If the pressure of business or other circumstances dictate, the board president may decide to curtail or rescind this practice. Comments by the public will not necessarily be answered at that time unless the question has been researched by the BOE, otherwise it will be the responsibility of the President/Superintendent to respond with an answer as soon as possible.
