Directions for Applying to the APW Faculty Association Scholarship

You must be going to college for one of the following careers in order to apply and be considered for this scholarship: Education, teaching assistant, psychology, social work, behavioral specialist, speech therapy, speech pathology, occupational therapy or nursing.

- Ask two faculty members to write a letter of recommendation. Instruct the staff members to return the recommendation directly to **Mrs. Trumble**. They can email to rtrumble@apw.cnyric.org.
- Complete an essay as directed at the bottom of this page
- Submit a copy of your acceptance letter from the college or university you will be attending. This should state that you have been accepted into a program in one of the career paths listed above at the college or university. Only candidates accepted into one of the above career programs at an accredited institution will be considered for this award.
- Email or submit documents to **Mrs. Trumble** by **Friday, April 16th**.
- Don't hesitate to reach out with *any* questions you might have!

In an essay, on a separate typed page, describe fully why you are applying for this scholarship. Be sure to include:

- What college you will attend
- What will be your intended major
- Why you've chosen this career path
- What your college plans are
- How you will contribute to financing your education
- What your strengths are as a student
- Any other information that will help the committee make its decision.

**** *Tips for writing essays for scholarships/colleges:***

- Introduce yourself by stating your name and your purpose for submitting the essay.
- Be sure to read the qualifications for writing the essay. Address each item requested.
- Write the essay then ask a teacher or peer to edit the essay. Re-write if necessary. It does not look good when you have grammar mistakes or errors in spelling.
- The essay should be typed in a standard font double spaced for ease of reading.
- Essays that are too long may affect the outcome; sometimes the longer the essay the more you run the risk of losing the reader.
- Thank the committee for taking the time to consider your application.
