Both	When are we going to get info on full virtual learning? How it's going to work, how do we know what classes are there, times, is the teacher going to send info regarding passwords, classes, zoom meetings, school work...ect	The JSHS sent a letter home this week to explain virtual learning. You should receive the letter by the end of week. For Elementary---All elementary virtual students will be assigned a classroom teacher. All instruction will begin on September 10. Login information for Seesaw (Pk-1) and Google Classroom will be posted as soon as teachers have had the opportunity to set up their virtual classes. While lessons may be available at a scheduled time, students will have the ability to access lessons at a time that is most convenient for family members who may be providing support.
APW Elementary School	IM really hoping AA is Monday Tuesday as that is what was originally published but now I am seeing that the first day of school is AA which would be Thursday. (And makes no sense). Please clarify	The first day of school 9/10 -- will be for the BB group to be in school, AA group will report to school on Monday, 9/14. The AA group will have some virtual instruction on 9/10 as well.
APW JSHS	What will be the mask requirement? Has the school installed proper ventilation and purification?	We are following all CDC and Dept. of Health guidance in regards to masks, social distancing and HVAC systems. Masks are required to be worn in common areas, such as hallways, bus, etc. In the classroom -- masks will be worn when social distancing cannot be maintained -- ie. teacher walking about room, student needing to leave desk area. We are in compliance in regards to ventilation per the Reopening Guidance Document put out by the NYS ED. We have taken extra measures to increase filtration MERV levels, while still maintaining adequate and effective air flow. Our filters have been upgraded to the highest level of MERV rating that HVAC units will accept -- some up to a MERV rating of 14. Our classroom units will accept up to a 9A MERV level. The upgraded filters were chosen after consulting with a filtration specialist from Camfil to not create greater resistance to airflow and maximize the rating per unit. Outdoor airflow has been increased to create multiple air exchanges per hour in all classrooms and occupied spaces.
APW Elementary School	The Pre-k supply list that was sent home states you can bring the supplies on visitation day. Is there going to be a visitation/orientation day for PK this year? If so, when?	We are currently working on a day for parents to bring their children in to meet the teacher—we just have to do so in shifts to maintain social distancing guidelines. More information will be forthcoming very soon.
APW Elementary School	Can there be something posted to site about the date of the first day of school, I have been asked by numerous mothers and I told them I had heard September 10th but I also told them I had not received anything confirming it.	The first day of school is Sept. 10 -- BB group students will report to in-school classes, students in the AA group will begin with virtual instruction and report to school on Monday, Sept. 14. 100% virtual students will begin on September 10.
APW JSHS	if my child has opted for full time distanced learning, why is there room #s listed on their schedule	Please call the main office to let us know that we need to make a change for your child
Both	On 8/18 someone asked "what date will classes begin?" You responded : AA group - Sept 10 BB group- Sept 14 My question is... Sept 10 is a Thursday which is a BB day and Sept 14 is a Monday which is a AA day...Shouldn't Sept 10 be the 1st day of actual in school class for BB group? Can you please clarify?	My apologies if I put the wrong information out. The first day of school is Sept. 10 -- BB group students will report to in-school classes, students in the AA group will begin with virtual instruction and report to school on Monday, Sept. 14. 100% virtual students will begin on September 10.

Both	When will parents receive the forms for the chrom books and the wifi?	Please call the main office of the school to request a form
APW Elementary School	My kids are AA students. Will anything be expected of them virtually on the 10th & 11th?	Yes. AA group will begin with virtual instruction
APW Elementary School	I've heard other parents mention a tech survey; I did not receive an email or phone call about this. Is it too late to participate in it? I have 3 children who will be on the BB hybrid schedule. Will they still be able to receive chromebooks?	Yes....no worries, we have enough for everyone who does not have a device at home.
