9/9/2020

Dear Parents and Families,

Welcome to the 2020-2021 school year! We have updated the Remote Learning Dashboard for this year. This is an online learning resource bank to assist you in helping your children engage in learning experiences, whether in the hybrid setting or 100% virtual. The Remote Learning Dashboard can be accessed via the APW website in the following places: Student Resources, and Parent Resources.

[Click here to access.](#)

For elementary students simply click on the grade level, and for JSHS students click on the subject area. For teachers using Google Classroom, access codes are included. In addition, you will find links to several of the online programs your child will be using in the classroom. You will also notice a section in red for daily attendance. Each day students participate in learning from home online, please complete the attendance form, as this is required by the New York State Department of Education. For assistance with logins and Gmail, please click on Student Login Guidance. For additional assistance, you may also contact the Family Help Desk at FamilyHelpdesk@apw.cnyric.org or (315) 625-5240.

APW REMOTE LEARNING DASHBOARD 2020-2021

ELEMENTARY		
<small>Daily Attendance Click Here: Visual and Hybrid Students MUST complete this form each day you are learning from home and participating in online classes.</small>		
Pk	Kindergarten	Grade 1
