The information we obtain from these assessments is extremely valuable to enable us to provide instruction that is specific to our students' needs. We need your help making sure our students have the tools necessary to do their best to show us what they know. Please make sure your child is present (on time) the day of the exam, gets a good night's sleep, and is ready to take the exam.

As always, I thank you for your continued support. Please reach out if you have any questions or concerns.

Sincerely,

Melissa Nabinger
Assistant Principal
