

Which school are you inquiring about?	Please submit your question here:	Response
Both	Will teachers make kids sanitize/wash hands before taking of their mask, and touching stuff that isnt their own. I've taught my children to always do just that but with my younger kids I would like for the teachers to enforce that.	Yes. All students will receive instruction on how to properly put on, wear and take off a mask. We have videos from the CDC for this instruction.
Both	Will you be testing the water for Legionella? https://www.nytimes.com/2020/08/27/health/covid-schools-legionnaires-disease.html?action=click&module=Top%20Stories&pgtype=Homepage	Our buildings were never fully shut down; we've had people here the entire time since March. I will send your question to our Facilities Maintenance Director -- please look for an answer on Monday.
Both	If students have their own chrome books and would like to bring them to be used in school the days they attend, is that allowed?	Yes.
