

Which school are you inquiring about?	Please submit your question here:	Response
Both	I do not have wifi or compatible equipment for my child to do virtual learning the other 3 days not in school. What is there that I can do.	We are working on calling parents and sending surveys out to parents to get information on how to request devices and hotspots.
Both	So when does school start. On the school calander on the apw page it says the 8th, and then in your answers back on the question and answers it says it starts the 10th. Why is everything so last minute. Its frustrating for us parents.	I'm sorry that you are frustrated. We'd announced the opening of school to be Sept. 10th on this FAQ and in the parent meetings held. We don't want things to be last minute for you, we know that causes confusion for everyone. Unfortunately, we are working with last minute guidance and details from the state -- which caused us to not be able to send the school calendar out sooner. Please keep asking questions on this form -- and checking the new questions every day -- I'm hoping you'll find the answers you are looking for.
APW Elementary School	When will we know what pick up and drop off times are going to be at?	Both schools are working on getting these procedures in place. Information from you child's school will be coming shortly.
Both	What kind of mask can kids wear. My child wants to wear a paw patrol mask but I dont want other children to accidentally touch it. Should they wear solid colors?	Students can wear the surgical-type mask or a cloth mask. Designs and colors are allowed. Children will be socially distanced. If you feel that others may touch your son's mask, it is a personal decision for you regarding the design or color.
Both	How often are bathrooms going to be cleaned. Will they be cleaned after each child uses them?	According to DOH and CDC guidelines - High touch areas in restrooms and throughout the building will be cleaned throughout the day. Every room in the school will be thoroughly disinfected after students leave each day and on Wednesdays.
