Hello APW families,

This is an important message regarding athletic registration for the Fall 2021-2022 school year.

It is very important that your child's physical is up to date. Many of our athlete's physicals have expired due to the pandemic. Your child **WILL NOT** be cleared in the Fall if their physical is not current.

Family ID is now open for all Fall sports at every level, grades 7 through 12. Please be aware, Family ID has very important medical information that is **ONLY** to be filled out by a parent or guardian. Students should not be completing the online registration. Only parent/guardian emails will be accepted. If a student email is used or a student registers themselves, they **WILL NOT** be cleared for participation. It is very important that the information received is accurate for the health and safety of your child. Upon clearance by the nurse, you will receive an email from Family ID to the parent/guardian email provided. Parents/guardians will need to check emails often until your athlete is cleared. Also, be sure that parents and guardians are signing their names and student's name in the proper places on each form. Failure to do this will result in the registration returned, and your child not cleared in a timely manner.

This new online program is very helpful in streamlining the registration process for our nurses, but you must be sure that they are accurate and completed by an adult only, **NOT the students**.

Thank you for your patience and cooperation,

Scott Stanard
Athletic Coordinator
