

You Have a Home in PFLAG!

OSWEGO
COUNTY

Are you a parent trying to accept your gay, lesbian, bisexual or transgender (GLBT) child?

Are you lesbian, gay, bisexual, or transgender (LGBT) and wondering how, or even if, you should tell your family about your sexuality?

Are you willing to help in the struggle to secure equal civil rights for our GLBT family and friends?

Wherever you are in your journey,

PFLAG~Oswego County

is there to support you in your next step

PFLAG is committed to helping others learn what we have learned, and to help change attitudes and create an environment of understanding so that all gay people can live with dignity and respect.

We invite you...

- ◆ to share knowledge
- ◆ to be free from fear
- ◆ and to reach out, search and discover more about being human

PFLAG ~ Oswego County is holding our next support group where you can find a confidential, warm and supportive setting where we can share our concerns with others and find comfort and reassurance about our GLBT loved ones. PFLAG offers a wonderful opportunity for families, friends and LGBT people to learn and grow together.
